**Putting your business on the map**

## KYALAMI-WATERFALL-MIDRAND

### PROFILE

Thank you for entertaining **Jozi Maps** as a smart dimension to your overall marketing mix.

More and more people are conveniently using maps to identify where they are, where they want to be in context of a broader perspective. Because of security concerns, for ease of passage and the convenience of time and fuel saving, our maps are most desirable.

Where businesses are needing to cast their nets ever further these days, our beautifully crafted maps are the most effective, cost conscious and sensible means of marketing in this turbulent 21<sup>st</sup> Century.
